

# It's time to take advantage of a Medicare Advantage plan designed for FEHBP

UnitedHealthcare® is offering an enhanced level of benefits created exclusively for FEHBP retirees. The UnitedHealthcare® Group Medicare Advantage (PPO) plan for FEHBP retirees – or “Retiree Advantage” – is a Medicare Advantage Prescription Drug (MAPD) plan providing participants all the benefits of Original Medicare, plus some great extras. With your MAPD plan, UnitedHealthcare will help you take advantage of your benefits, so you can focus on living life to the fullest.

If you are currently enrolled in a UnitedHealthcare® FEHB health plan and in both Medicare Parts A and B, you can choose to enroll in the UnitedHealthcare Retiree Advantage plan. **You must remain enrolled in a qualified UnitedHealthcare FEHB health plan to be eligible for the UnitedHealthcare Retiree Advantage plan.** If you suspend your coverage with the Office of Personnel Management (OPM), you will also be terminated from the UnitedHealthcare Retiree Advantage plan.
