You deserve easy, convenient, and affordable access to FEDVIP benefits.

As a federal employee, traditional dental plans may seem to take the same bite out of your budget, yet, with UnitedHealthcare Dental, our plans are built to go above and beyond, just like you do.

How? You'll have access to a large dental network, you'll be provided with expanded benefits at no additional cost, and you'll have an experienced dental carrier on your side.

First, as part of UnitedHealthcare's family, you and your family can take advantage of our nationwide network that provides the freedom of choice and flexibility you deserve.

It includes 370,000 access points across the country for dental members and their families.

Next in addition to common FEDVIP benefits, UnitedHealthcare provides dental members with a suite of unique offerings at no additional cost to you.

Some of those benefits include critical illness protection that gives eligible members an extra financial boost when diagnosed with certain kinds of illnesses.

Enhanced dental benefits for those with qualifying chronic conditions. UnitedHealthcare Dental Days, where we bring pop-up dental services to you at your participating workplace.

And the FEDVIP Benefit Hub, a website that features exclusive discounts on all sorts of products and services.

Finally, UnitedHealthcare has provided commercial and government dental benefits for

more than two decades to over 13 million members—and we're proud to be in the top 10 of military friendly employers.

That's why UnitedHealthcare Dental is honored to offer FEDVIP plans that go above and beyond for people who go above and beyond.
