UnitedHealthcare Vision®

Federal Employees Dental and Vision Insurance Program

See the benefits for yourself.

At UnitedHealthcare Vision, eye care goes beyond glasses. We care for your complete eye health and look to the eyes for indications of health issues throughout the body.

To help keep you and your eyes healthier, we offer freedom of choice on trendy eyewear and access to a large national network—including private practice and retail settings.

Recognized as the sixth most Military Friendly® Employer in the nation.

For the ninth consecutive year, UnitedHealth Group® has been designated as a Military Friendly Employer by Viqtorly—based on efforts relating to recruiting, retention, training and more.

Your service is greatly appreciated.

A very sincere thank-you for all that you do to serve the community. You deserve a hardworking vision plan, so we're offering coverage that goes above and beyond.

You asked for:

Easy access to eye care.

On-trend glasses at affordable prices.

Extra coverage for kids and expecting moms.

You'll have:

The option of over 106,000 access points—many with the convenience of weekend and evening hours.

Coverage at GlassesUSA.com, Warby Parker and more, where you'll find fashion-forward looks at lower prices.

A second eye exam and glasses for kids under 13, plus expanded maternity vision care—all at no additional cost.*

Who can enroll?

- Anyone who's eligible for the Federal Employees Health Benefits (FEHB) program—no matter what the medical plan.
- TRICARE retirees and active military family members enrolled in a specified TRICARE health plan.

*For full details on additional coverages offered for kids and expecting moms, visit uhcfeds.com and click VISION PLANS.

What do the plans include?

Eye health coverage.

Each year, you'll get a complete, comprehensive eye exam to check your vision and evaluate your eye health. It may also help identify health issues such as diabetes, high cholesterol, hypertension and more.

An exclusive benefit for UnitedHealthcare members.

Take advantage of the BenefitHub's discounts on health and wellness products and services plus technology and lifestyle items.

Eyewear coverage.

Whether you prefer glasses or contact lenses, we cover a variety of options, including Transitions™ lenses—which provide 100% UV protection—for no additional copay.
