## Introduction

---

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The law directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants. Section 715 of the National Defense Authorization Act for Fiscal Year 2017 (FY 2017 NDAA), Public Law 114-38, expanded FEDVIP eligibility to certain TRICARE-eligible individuals.

This brochure describes the benefits of UnitedHealthcare Vision Plan under UnitedHealthcare Vision Plan's (formerly Spectera) contract OPM02-FEDVIP-02AP-16 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits, if they are also listed on the coverage. You and your family members do not have a right to benefits that were available before January 1, 2021 unless those benefits are also shown in this brochure.

UnitedHealthcare Vision Plan is responsible for the selection of in-network providers in your area. Contact us at 1-866-249-1999 or TTY 711 - for the names of participating providers. You may view the most current directory via our web site at [www.fedvip.myuhcvision.com](http://www.fedvip.myuhcvision.com). Continued participation of any specific provider cannot be guaranteed. Thus, you should choose your plan based on the benefits provided, not for a specific provider's participation. When you phone for an appointment, please remember to verify that the provider is currently in-network. If your provider is not currently participating in the provider network, you may nominate him or her to join. Nomination forms are available on our web site, or call us and we will have a form sent to you. You cannot change plans outside of Open Season because of changes to the provider network.

Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If you require the services of a specialist and one is not available in your area, please contact us for assistance.

## Section 1 Eligibility

---

**Federal Employees** If you are a Federal or U.S. Postal Service employee, you are eligible to enroll in FEDVIP, if you are eligible for the Federal Employees Health Benefits (FEHB) Program or the Health Insurance Marketplace (Exchange) and your position is not excluded by law or regulation, you are eligible to enroll in FEDVIP. Enrollment in the FEHB Program or a Health Insurance Marketplace (Exchange) plan is not required.

**Federal Annuitants** You are eligible to enroll if you:

- retired on an immediate annuity under the Civil Service Retirement System (CSRS), the Federal Employees Retirement System (FERS) or another retirement system for employees of the Federal Government;
- retired for disability under CSRS, FERS, or another retirement system for employees of the Federal Government.

You may continue your FEDVIP enrollment into retirement, if you retire on an immediate annuity or for disability under CSRS, FERS or another retirement system for employees of the Government, regardless of the length of time you had FEDVIP coverage as an employee. There is no requirement to have coverage for 5 years of service prior to retirement in order to continue coverage into retirement as there is with the FEHB Program.

Your FEDVIP coverage will end, if you retire on a Minimum Retirement Age (MRA) + 10 retirement and postpone receipt of your annuity. You may enroll in FEDVIP again when you begin to receive your annuity.

**Survivor Annuitants** If you are a survivor of a deceased Federal/U.S. Postal Service employee or annuitant and you are receiving an annuity, you may enroll or continue the existing enrollment.

**Compensationers** A compensationer is someone receiving monthly compensation from the Department of Labor's Office of Workers' Compensation Programs (OWCP) due to an on-the-job injury/illness who is determined by the Secretary of Labor to be unable to return to duty. You are eligible to enroll in FEDVIP or continue FEDVIP enrollment into compensation status.

**TRICARE-eligible individual** An individual who is eligible for FEDVIP dental coverage based on the individual's eligibility to previously be covered under the TRICARE Retiree Dental Program or an individual eligible for FEDVIP vision coverage based on the individual's enrollment in a specified TRICARE health plan.

**Family Members** Except with respect to TRICARE-eligible individuals, family members include your spouse and unmarried dependent children under age 22. This includes legally adopted children and recognized natural children who meet certain dependency requirements. This also includes stepchildren and foster children who live with you in a regular parent-child relationship. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support. FEDVIP rules and FEHB rules for family member eligibility are **NOT** the same. For more information on family member eligibility visit the website at [www.opm.gov/healthcare-insurance/dental-vision/](http://www.opm.gov/healthcare-insurance/dental-vision/) or contact your employing agency or retirement system.

With respect to TRICARE-eligible individuals, family members include your spouse, unremarried widow, unremarried widower, unmarried child, an unremarried former spouse who meets the U.S Department of Defense's 20-20-20 or 20-20-15 eligibility requirements, and certain unmarried persons placed in your legal custody by a court.

Children include legally adopted children, stepchildren, and pre-adoptive children. Children and dependent unmarried persons must be under age 21 if they are not a student, under age 23 if they are a full-time student, or incapable of self-support because of a mental or physical incapacity.

## **Not Eligible**

The following persons are not eligible to enroll in FEDVIP, regardless of FEHB eligibility or receipt of an annuity or portion of an annuity:

- Deferred annuitants
- Former spouses of employees or annuitants. **Note:** Former spouses of TRICARE-eligible individuals may enroll in a FEDVIP vision plan.
- FEHB Temporary Continuation of Coverage (TCC) enrollees
- Anyone receiving an insurable interest annuity who is not also an eligible family member
- Active duty uniformed service members. **Note:** If you are an active duty uniformed service member, your dental and vision coverage will be provided by TRICARE. Your family members will still be eligible to enroll in the TRICARE Dental Plan (TDP).

## Section 2 Enrollment

---

### Enroll Through BENEFEDES

**You must use BENEFEDES to enroll or change enrollment in a FEDVIP plan. BENEFEDES is a secure enrollment website (www.BENEFEDES.com) sponsored by OPM.** If you do not have access to a computer, call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680 to enroll or change your enrollment.

**If you are currently enrolled in FEDVIP and do not want to change plans, your enrollment will continue automatically. Please Note:** your plans' premiums may change for 2021.

**Note:** You cannot enroll or change enrollment in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, PostalEase, EBIS, MyPay, or Employee Personal Page. However, those sites may provide a link to BENEFEDES.

### Enrollment Types

**Self Only:** A Self Only enrollment covers only you as the enrolled employee or annuitant. You may choose a Self Only enrollment even though you have a family, however, your family members will not be covered under FEDVIP.

**Self Plus One:** A Self Plus One enrollment covers you as the enrolled employee or annuitant plus one eligible family member whom you specify. You may choose a Self Plus One enrollment even though you have additional eligible family members, but the additional family members will not be covered under FEDVIP.

**Self and Family:** A Self and Family enrollment covers you as the enrolled employee or annuitant and all of your eligible family members. You must list all eligible family members when enrolling.

### Dual Enrollment

If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) cannot be covered by two FEDVIP dental plans or two FEDVIP vision plans.

### Opportunities to Enroll or Change Enrollment

#### ***Open Season***

If you are an eligible employee, annuitant, or TRICARE-eligible individual, you may enroll in a dental and/or vision plan during the November 9, through midnight EST December 14, 2020, Open Season. Coverage is effective January 1, 2021.

During future annual Open Seasons, you may enroll in a plan, or change or cancel your dental and/or vision coverage. The effective date of these Open Season enrollments and changes will be set by OPM. **If you want to continue your current enrollment, do nothing. Your enrollment carries over from year to year, unless you change it.**

#### ***New hire/Newly eligible***

You may enroll within 60 days after you become eligible as:

- a new employee;
- a previously ineligible employee who transferred to a covered position;
- a survivor annuitant if not already covered under FEDVIP; or
- an employee returning to service following a break in service of at least 31 days.
- a TRICARE-eligible individual

Your enrollment will be effective the first day of the pay period following the one in which BENEFEDES receives and confirms your enrollment.

#### ***Qualifying Life Event***

A qualifying life event (QLE) is an event that allows you to enroll, or if you are already enrolled, allows you to change your enrollment outside of an Open Season.

The following chart lists the QLE's and the enrollment actions you may take:

<b>Qualifying Life Event</b>	<b>From Not Enrolled to Enrolled</b>	<b>Increase Enrollment Type</b>	<b>Decrease Enrollment Type</b>	<b>Cancel</b>	<b>Change from One Plan to Another</b>
<b>Marriage</b>	Yes	Yes	No	No	Yes
<b>Acquiring an eligible family member (non-spouse)</b>	No	Yes	No	No	No
<b>Losing a covered family member</b>	No	No	Yes	No	No
<b>Losing other dental/vision coverage (eligible or covered person)</b>	Yes	Yes	No	No	No
<b>Moving out of regional plan's service area</b>	No	No	No	No	Yes
<b>Going on active military duty, non-pay status (enrollee or spouse)</b>	No	No	No	Yes	No
<b>Returning to pay status from active military duty (enrollee or spouse)</b>	Yes	No	No	No	No
<b>Returning to pay status from Leave without pay</b>	<b>Yes (if enrollment cancelled during LWOP)</b>	No	No	No	<b>Yes (if enrollment cancelled during LWOP)</b>
<b>Annuity/compensation restored</b>	Yes	Yes	Yes	No	No
<b>Transferring to an eligible position*</b>	No	No	No	Yes	No

\*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer paid premium.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan's service area; and
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of the loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Generally, enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either plan, you cannot change or cancel that particular enrollment until the next Open Season, unless you experience a QLE that allows such a change or cancellation.

### ***Canceling an enrollment***

You may cancel your enrollment only during the annual Open Season. An eligible family member's coverage also ends upon the effective date of the cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the Open Season effective date.

### **When Coverage Stops**

Coverage ends for active and retired Federal, U.S. Postal employees, and TRICARE-eligible individuals when you:

- no longer meet the definition of an eligible employee, annuitant, or TRICARE-eligible individual;
- as a Retired Reservist you begin active duty;
- as sponsor or primary enrollee leaves active duty
- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments;
- cancel the enrollment during Open Season;
- a Retired Reservist begins active duty; or
- the sponsor or primary enrollee leaves active duty.

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

### **Continuation of Coverage**

**Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under FEDVIP:**

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

**FSAFEDS/High  
Deductible Health  
Plans and FEDVIP**

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA), you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

If you have an HCFSA or LEX HCFSA FSAFEDS account and you haven't exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over up to \$550 of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31. You must also actively reenroll in a health care or limited expense account during the NEXT Open Season to be carryover eligible. Your reenrollment must be for at least the minimum of \$100. If you do not reenroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time period permitted. This is known as the "Use-it-or-Lose-it" rule. Carefully consider the amount you will elect.

For a health care or limited expense account, each participant must contribute a minimum of \$100 to a maximum of \$2,750.

Current FSAFEDS participants must re-enroll to participate next year. See [www.fsafeds.com](http://www.fsafeds.com) or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058. **Note: FSAFEDS is not open to retired employees, or to TRICARE eligible individuals.**

If you enroll in Paperless Reimbursement, UnitedHealthcare Vision Plan will submit your eligible FSAFEDS out-of-pocket expenses electronically, so you don't have to. If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you may use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB and FEDVIP plans. You will be required to submit your claim on behalf of the UnitedHealthcare Vision Plan to the FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA).

You do not need to include an EOB, but your claim must include acceptable evidence of your expenses. A cancelled check is not considered acceptable evidence.

Acceptable evidence includes receipts that contain the following information:

- Type of service or product provided
- Date expense was incurred
- Person or organization providing the service and product
- Amount of expense

## Section 3 How You Obtain Benefits

**Identification Cards/  
Enrollment  
Confirmation**

Enroll online at [www.benefeds.com](http://www.benefeds.com). Upon confirmation of your enrollment, you will be sent a UnitedHealthcare Vision Plan identification card with your welcome packet.

**Where You Get Covered  
Care**

You may visit any provider in the UnitedHealthcare Vision network. Log on to [www.fedvip.myuhcvision.com](http://www.fedvip.myuhcvision.com) and select the provider locator option. You may also contact UnitedHealthcare Vision’s 24-hour, toll-free Interactive Voice Response (IVR) system dedicated to Federal employees and annuitants at 1-866-249-1999 or TTY 711. You may elect to visit any vision provider to utilize your benefit, even if they are not part of the UnitedHealthcare Vision provider network.

**Plan Providers**

We list plan providers on our Web site at [www.fedvip.myuhcvision.com](http://www.fedvip.myuhcvision.com). In addition, you can call UnitedHealthcare Vision Plan’s 24-hour, toll-free Interactive Voice Response (IVR) system dedicated to Federal employees and annuitants at 1-866-249-1999 or TTY 711.

**In-Network**

Once you locate an in-network provider, call the provider directly to schedule your appointment. Identify yourself as having UnitedHealthcare Vision coverage and provide the primary insured’s subscriber number and patient’s name and date of birth. You can find participating providers at [www.fedvip.myuhcvision.com](http://www.fedvip.myuhcvision.com).

**Out-of-Network**

If you choose to use an out-of-network provider, your reimbursement will not exceed the out-of-network maximums listed in this brochure. In order to receive reimbursement, please submit the itemized paid receipt(s), along with the primary insured’s subscriber number and patient’s name and date of birth to:

UnitedHealthcare Vision  
Attention: Claims Department  
P.O. Box 30978  
Salt Lake City, UT 84130

It is important to note that you must pay the out-of-network provider in full at the time of service, and then submit your receipt(s) to UnitedHealthcare Vision for reimbursement. Receipts for services and materials purchased on different dates must be submitted together at the same time to receive reimbursement. Receipts must be submitted within 12 months of the date of service.

**FEHB First Payor**

When you visit a provider who participates with both, your FEHB plan and your FEDVIP plan, the FEHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge, in these cases. You are responsible for the difference between the FEHB and FEDVIP benefit payments and the FEDVIP plan allowance. UnitedHealthcare Vision is responsible for facilitating the process with the FEHB first payor. You can assist with this process and ensure that you are receiving the maximum allowable benefit under each program by presenting both numbers when submitting the claim to the plans.

The amounts listed in the chart below are for example purposes only and do not reflect your FEHB or UnitedHealthcare Vision benefits. The example does not include your copay which you are responsible for paying.

<u>Service</u>	<u>FEHB Pays</u>	<u>UnitedHealthcare Vision</u>
Eye Exam \$90	\$20	\$70
Frame \$130	\$0	\$130
Lenses \$60	\$30	\$30
Total \$280	\$50	\$230

Your FEHB will pay \$50.00. Your UnitedHealthcare Vision will then pay up to the Plan allowance not to exceed \$230 in this example.

**Coordination of Benefits**

When you have vision coverage through a non-FEHB Plan and UnitedHealthcare Vision coverage under FEDVIP, UnitedHealthcare Vision is the primary payor and your non-FEHB plan is secondary.

We may request that you verify/identify your health insurance plan(s) annually or at time of service.

The amounts listed in chart below are for example purposes only and *do not* reflect your non-FEHB or UnitedHealthcare Vision benefits. The example does not include your copay which you are responsible for paying.

SERVICE	UNITEDHEALTHCARE VISION Plan In Network Provider	Non-FEHB
Eye Exam: \$90	\$90 (fully covered)	\$0
Frame: \$200	\$130	\$70
Lenses: \$60	\$60 (fully covered)	\$0
Total: \$350	\$280	\$70

UnitedHealthcare Vision will pay up to the plan allowance not to exceed \$280 in this example. Your non-FEHB Plan will pay \$70

SERVICE	UNITEDHEALTHCARE VISION Plan Out of Network Provider	Non-FEHB
Eye Exam: \$90	\$40	\$50
Frame: \$200	\$45	\$0
Lenses: \$60	\$40	\$20
Total: \$350	\$125	\$70

UnitedHealthcare Vision will pay up to the plan allowance not to exceed \$125 in this example. Your non-FEHB Plan will pay \$70.

**Limited Access Areas**

If you live in an area that does not have a UnitedHealthcare Vision provider located within 15 miles of your primary residence for urban ZIP codes, or 35 miles of your primary residence for rural ZIP codes, we will pay 100% of your plan allowance when you receive covered services from an out-of-network provider. Follow the out-of-network claims submission instructions in Section 8, “How to file a claim for covered services.”

## Section 4 Your Cost for Covered Services

This is what you will pay out-of-pocket for covered care:

### **Copayment**

A copayment is a fixed amount of money you pay to the provider when you receive services.

Example: In our plan, you have an eye exam copay and a copay for eyewear materials (if needed). Standard Option members pay \$10 for an eye examination while High Option members have no copay for an eye examination. For materials, Standard Option members have a \$25 copay, while High Option members have a \$10 materials copay. The materials copay is a single payment that applies to the entire purchase of eyeglasses (lenses and frames), or contacts in lieu of eyeglasses.

### **Coinsurance**

Coinsurance is the percentage of billed charges that you must pay for your care. Coinsurance for your UnitedHealthcare Vision Plan only applies to coverage for low vision and vision therapy, and does not apply to any other portion of the UnitedHealthcare Vision benefit.

Example: For either low vision or vision therapy services, you will follow the out-of-network process and pay the provider in full at the time of service. You then submit your receipts to our claims department, and will be reimbursed 75% of the billed charges, up to the lifetime benefit maximum for both vision therapy and low vision services.

### **Annual Benefit Maximum**

For the UnitedHealthcare Vision Plan, you can receive an eye exam, frames, and lenses – or contact lenses in lieu of eyeglasses, once per year and other vision testing as described in Section 5, Vision Services and Supplies.

### **Lifetime Benefit Maximum**

There is a lifetime maximum reimbursement of \$1,000 for low vision and \$1,000 for vision therapy services. There is also a lifetime maximum reimbursement of \$1,500 for a prosthetic eye. There is no lifetime benefit maximum associated with any other portion of the UnitedHealthcare Vision Plan.

### **In-Network Services**

## Stop Health Care Fraud!

---

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except to your providers, plan, BENEFEDS, or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your explanation of benefits (EOB) statements.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
  - Call the provider and ask for an explanation. There may be an error.
  - If the provider does not resolve the matter, call us at 1-866-249-1999 and explain the situation.
- Do not maintain as a family member on your policy:
  - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
  - Your child over age 22 (unless he/she is disabled and incapable of self-support).

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure, prior to submitting your enrollment or obtaining benefits.

**Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you, if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.**
